

J.D. Power and Associates: “Highest Ranked Light-Duty Full-Size Pickup in Initial Quality”

NO ONE BUILDS A TOUGHER TRUCK. HANDS DOWN.

Maybe that’s why no one else can handle 3,060 lbs. of payload.* And why F-150 can tow an incredible 9,900 lbs. Of course, it helps that F-150 is riding on one of the strongest frames around. Get behind the wheel, and you’ll see why it’s the Most Awarded Truck** – including the J.D. Power and Associates Initial Quality Award.† And why it’s the only full-size pickup to earn both the government’s five-star driver and passenger front crash test rating, and “Best Pick” honors from the Insurance Institute for Highway Safety in 40-mph offset frontal crash testing. So it’s no surprise with a leader like this that F-Series have been the best-selling trucks 29 years running.

*When properly equipped.

**Based on published awards 2004-2005. †J.D. Power and Associates 2005 Initial Quality Study. SM Studies based on a total of 62,251 consumer responses indicating owner-reported problems during the first 90 days of ownership. www.jdpower.com

MORE POWER AND PULL THAN THE SUPERVISOR'S MANAGER'S BOSS'S BOSS.

1. F-150's fully integrated front structure is one reason this pickup has an exceptionally quiet interior. It also puts a generous amount of steel in front of the passenger cabin in the event of a crash.
2. These new 20" six-spoke machined aluminum wheels are available on FX4, Lariat and King Ranch.
3. F-150's fully boxed frame is one of the strongest in its class.* And that means exceptional ride, handling and capability.

*Class is full-size pickups under 8500 GVWR, when properly equipped.

F-150 has the highest available payload capacity and maximum cargo box volume in its class. And when it comes to towing, F-150 can haul an incredible 9,900 lbs.

IT HAS OTHER TRUCKS PLAYING FOLLOW THE LEADER.

Want to find out more about F-150? Then head to the Ford website. Compare it with other trucks in its class. Look at specs. Decide between paint colors and interior options. Even build your own. You'll find everything F-Series all in one spot.

WHY FORD CREDIT?

At Ford Credit, auto financing is our specialty. Whether you purchase or opt for a Red Carpet Lease, we offer a range of terms and features that make your experience hassle-free. Contact your local Ford Dealer or visit us on the Web at www.fordcredit.com.

ROADSIDE ASSISTANCE

Every new Ford includes the assurance of a 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile limited warranty period. Ask your Ford Dealer for complete details on this program, which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your vehicle.

NEW VEHICLE LIMITED WARRANTY

Under the New Vehicle Limited Warranty, you receive bumper-to-bumper coverage for 3 years/36,000 miles with no deductible. You also receive corrosion perforation coverage for five years with unlimited mileage and no deductible. Ask your Ford Dealer for a copy of the warranty.

HELPFUL FORD LINKS

Now that you've learned more about this Ford vehicle, we would like to recommend the following links that can help you get all the information you need about finding, purchasing and owning the Ford that's just right for you:
